The Chair of **MSOG AGM-2022**, Dr. Farooq Ahmed, called the **AGM** to order at 7:35 PM at the classroom #6 at Muslim Society of Guelph in Guelph, Ontario. Those in attendance (86 out of 100 champion members) and constituting a quorum are listed on pages 2 to 4.

### **Financial statement was presented by Muhammad Sayyed**

Question was raised if MSoG required to get its financial statements audited as per requirements by ONCA because MsoG's revenue exceeds \$500,000.00. Mohammad Sayyed and Taha Zafar will check. As per CRA at Canada.ca, "*If you have income over \$250,000, the Charities Directorate recommends that you get your financial statements professionally audited; otherwise, the treasurer for the charity should sign them*". Currently, MSoG submits their statements to CRA with the signatures of treasurer of the Society.

### **Update on New Building Construction Project was presented by Arif Kidwai**

Question was raised about accumulation of snow on the roof of old building that is adjacent to new building. Since new building is taller than the old building the new building might block the wind and could cause significant accumulation of snow on the roof of old building. Presenter responded that the engineer already had this consideration and suggested preventative measure.

### **Wasim Iqbal presented update on events organized by MSoG during 2020 to 2022**

AGM Presentation is available online at our website <https://www.msofg.org/agm-2022-special-meetings/>
